5. (Internal Use Only - RJK) Delivered to the offices of Senators Mike Mansfield (D., Mont.), Hugh Scott (R., Pa.), and Edmund Muskie (D., Maine) [redacted] Also delivered a [redacted] to the Senate Foreign Relations staff for Senators Fulbright and Case. STATSPEC

6. (Unclassified - GLC) Talked with Marshall Wright, Deputy Assistant Secretary of State for Congressional Relations, regarding the material he might need from us for this afternoon's meeting in the White House on the State/USIA authorization bill. Wright said he had decided not to follow the procedure suggested in Tuesday's meeting and recommended I merely bring to the meeting any papers we had bearing on the subject. I reviewed briefly with him our position on the sections having to do with the dissemination of information and ceilings on the number of U.S. personnel abroad. Wright felt there was nothing in our position regarding dissemination of information which would be troublesome to USIA although USIA might want to take a stronger position which would also encompass our needs.

7. (Confidential - GLC) [redacted] advised Mr. McCone did not expect to be in the area during the period of the Foreign Relations Committee hearings on the Cooper bill, S. 2224. Furthermore it appears that the inquiry which Mr. McCone received concerning the possibility of his testifying on the bill was very informal. 25X1A

8. (Secret - GLC) [redacted] DC/FE, and I went to the Senate Armed Services Committee room where we reviewed the excision which DOD proposed be made in the testimony of Warren Nutter and Bill Sullivan before the Committee on the funding of irregular forces in Laos. We confirmed that all of the changes which [redacted] had requested had been made by DOD and we made several additional excisions in the text. 25X1A

25X1A  
Later in the day I conferred again with Ed Braswell, Chief Counsel of the Committee, on the question of the wisdom of making public the details of these funding arrangements. Braswell said he would discuss this aspect of the matter with Chairman Stennis.

1. (Internal Use Only - JGO) Met with Mr. William Hogan, House Armed Services Committee staff, who told me that the Committee will be meeting with Navy representatives on Monday and will be marking up the procurement bill the remainder of the week. Mr. Hogan will call me as soon as he has the green light from Chairman Nedzi.

2. (Internal Use Only - JGO) Met briefly with Mr. Garner J. Cline, House Immigration and Naturalization Subcommittee staff, who told me that he has heard nothing from [redacted] or his current client, [redacted]. I thanked Mr. Cline for the information. Mr. Warner, OGC, has been advised.

3. (Confidential - JGO) Met with Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, who told me that the hearings on S. 2224, the Cooper bill relating to the furnishing of intelligence information obtained by the Central Intelligence Agency, will resume on Monday. The witnesses are Mr. Raoul Berger, who was identified as "expert on executive privilege" and [redacted] "formerly in charge of security of CIA and currently a consultant to banks on security." Mr. Kuhl also noted that the Committee will probably consider a course of action to be followed by the Committee concerning overseas activities of American business and the International Telephone and Telegraph Corp. [redacted] C/WH Division, has been advised.

4. (Internal Use Only - JGO) Talked to Pat Holt, Senate Foreign Relations Committee staff, concerning the identification of [redacted] on the agenda for Monday's hearing on S. 2224. Mr. Holt told me that the above identification would not go into the Record but that the Chairman would introduce [redacted] as having been with the Agency for 20 years, his duties including supervising security arrangements. I thank Mr. Holt and told him this would be satisfactory.

9. (Confidential - JMM) Representative Charles Gubser called to say that in checking his correspondence in the [REDACTED] case (see Journal of 12 April) it appeared that [REDACTED] OSI, had been involved in the matter from the Agency side. I told Mr. Gubser that it was my understanding we had found [REDACTED] proposals of dubious value and had no intention of following up on them so [REDACTED] was free to exploit them however he wished. However I said I would check with [REDACTED] and confirm this. I since talked to [REDACTED] who [REDACTED] review the matter with Mr. Duckett.

9. (Confidential - GLC) Met with Mr. Robert Willian, Senate Finance Committee staff, and discussed with him the action the Committee would take on H.R. 9900. Mr. Willian said they planned to report the bill out without any changes and gave no encouragement on the possibility of amending it to accommodate the Agency's needs. See Memorandum for the Record.

10. (Confidential - GLC) David Martin, Senate Internal Security Subcommittee staff, called to advise that the Subcommittee would be going to press very shortly with the publication of the Nkrumah documents using a letter which they had obtained from the Department of State to support their authenticity. He said this publication would start a new series to be entitled "Communist Global Subversion and American Security." This specific document would be entitled "Attempted Communist Subversion of Africa Through Nkrumah's Ghana." Martin added that as soon as he finished writing an introductory commentary he would get a jacket number from GPO which he would pass on to us in the event our people wanted to "ride the jacket."

11. (Secret - GLC) In response to his request yesterday, I told James Gehrig, Staff Director, Senate Space Committee, that Col. McConnell has a TK clearance and Capt. Donald Jarrell has a [ ] clearance and 25X1A that we were unable to find any record through DOD of compartmented clearances for Major Harold Caylor. Mr. Gehrig expressed surprise that we could not confirm a clearance for Caylor since he had been told by John Foster's people that these three men would be briefing him at the TK level. I suggested to Gehrig that he trace this back through his contact in Foster's office if he wanted to pursue it further.

12. (Internal Use Only - RJK) Delivered the Director's reply to an inquiry made by Senator Sam J. Ervin, Jr. (D., N.C.), Chairman of the Subcommittee on Separation of Powers of Senate Judiciary Committee.

13. (Internal Use Only - JGO) Talked to Mr. Gordon Murchie, USIA, who told me that he had not yet forwarded the question pertaining to Agency control of RFE and RL set forth in the long listing received from Senate Foreign Relations Committee. I told Mr. Murchie I would call him as soon as we had a chance to review the questions once we have them in hand. See Journal of 4 April 1972.

7. (Confidential - JMM) Talked to Mr. Fred Fielding, in the White House, and reminded him that we are anxious to respond to Senator Ervin's letter, deadline tomorrow (7 April), and we wanted to know whether we were safe in saying that any agreements involving the Agency would be reported by the State Department. Fielding said it had been the original plan for State to respond for all concerned along these lines, but a slight problem developed which he hoped could be ironed out by tomorrow. He suggested language such as "all the agreements in which the Agency had participated" would be reported by State. I said we would draft some specific language and check it with him tomorrow. He said by that time he hoped the Administration's position would be firmed up.

8. (Secret - JGO) Met with Mr. Drury Blair, Senate Immigration and Naturalization Subcommittee staff, and gave him a biographic sketch and updated justification and assessment concerning [redacted] 25X1C  
[redacted] In response to his earlier question, I told him that the Agency representatives were familiar with the fact that [redacted] had 25X1C  
travelled outside the country to Spain returning about the first week in March but that we had no knowledge of the business of the trip or the procedures used to clear the travel through the Department of State. Mr. Blair noted that he did not think that the Agency was involved in the travel arrangements and since we have no further interest in the case, he will not pursue it. See Journal of 25 January 1972.

9. (Confidential - JGO) Met with Mr. Robert Lockhart, House Post Office and Civil Service Committee staff, and told him that the Agency had been in contact with Mr. Edward A. Schroer, of the Civil Service Commission. There was no intent on the part of the Commission to include the Agency in Sections two and three of the Federal Executive Service bill, H.R. 3807. We are assured that the Chairman will make appropriate reference for exclusion of the Agency in his testimony before the Committee presently scheduled for 13 April. Mr. Lockhart told me that Representative Wilbur Mills (D., Ark.) had written the Committee requesting exemption for the Internal Revenue Service from the provisions of H.R. 3807. A copy of Representative Mills' letter has been forwarded to the Civil Service Commission with the suggestion that this matter also be included in the Chairman's presentation on the 13th. Meeting of the full Committee is scheduled for 20 April with the Hanley bill well down in the list of items for inclusion in the agenda.

9. (Unclassified - RJK) Delivered a suggested reply to Dale Southerland, on the staff of Senator Abraham Ribicoff (D., Conn.), in response to questions a constituent, Alan Kleiman, had asked concerning the Agency's providing funds to students in return for information. Mrs. Southerland said the reply would be adequate.

10. (Unclassified - LLM) Libby Reynolds, in the office of Representative Jack Kemp (R., N. Y.), called and said that the 18th had been selected as the tentative date for the breakfast-briefing of Kemp and his colleagues, and that she will give us a progress report early next week when the members return from the Easter recess.

11. (Internal Use Only - JGO) Received a call from Mr. Gordon Murchie, USIA, who told me that the Director of USIA has received a listing of some 90 questions from Chairman Fulbright, Senate Foreign Relations Committee, as a followup to their appearance before the Committee. The two questions that require Agency assistance in answering ask, in effect, the date when USIA was told of CIA sponsorship of the Radios. I told Murchie that in effect USIA would have been on constructive notice from the beginning since this was a responsibility that was determined at the policy level of Government. Mr. Murchie will forward a copy of the appropriate questions. I told him we will advise after we have reviewed the questions.

12. (Confidential - JGO) Received a call from Mr. David Martin, Senate Internal Security Subcommittee staff, who told me that the Committee has received a very helpful letter from the State Department that will be used as an introduction in the publication of the Nkrumah articles. He asked if we could provide a second copy of the articles which is necessary for publication. If the additional copies are not available, they will have to xerox. I told him I would relay the question and be back in touch in the morning. See Journal of 26 January 1972. 25X1A
